Where did you hear about us?

MAKING THE RIGHT CHOICES.

We need to be sure you have a basic understanding of what is involved with taking home a puppy.

- We provide as much guidance, support, and education as we can about each of these topics, but ultimately it is your responsibility to be an educated and informed puppy parent.
- Your application will not be responded to and will be rejected if you do not select each checkbox.

Please read and agree to the following:

- I understand that this puppy is not to be bred and is required to be spayed/neutered. All Prospective homes will be asked to sign the **CKC "non-breeding agreement" NB.***
- I understand that I am getting a puppy and that no matter how well prepared and trained my puppy is, it is still a baby and I should expect my puppy to have accidents in the house and crate, to cry and bark, to nip and bite, and to require a great deal of patience and attention. I understand that these are NORMAL puppy behaviors and that I expect them to happen.
- I understand that dogs have grooming requirements. [ADD SPECIFIC GROOMING REQUIREMENTS FOR YOUR BREED]
- I understand that the ears of my dog will need to be cleaned weekly or more if my dog swims or is in a humid environment.
- I understand that while you provide Foundation Puppy Training that I need to learn how to train and maintain my dog's training and that may require the assistance of a dog trainer or behaviorist.
- I understand that puppies have delicate digestive systems and that changing the food my puppy goes home eating can cause severe gastric distress. I agree to use the same dog food my breeder sends my puppy home on until the puppy is at least 4 months of age.
- I understand that while you screen your breeding dogs for hips health, canine hip dsyplasia is multi factorial and that it is equally important that I maintain my dog/puppy at an ideal weight, provide quality nutrition, don't over exercise my puppy, and provide a safe environment to do my part in maintaining my puppy's joint health.

NB. **This can be canceled, but only with the approval of Hond and Hem and where circumstances permit.*
